INTERET SUR LES DEBENTURES STERLING PAYABLES A LONDRES.

A VIS est, par le présent, donné, conformément à un ordre du bureau de la trésorerie que le et après le Icr janvier prochain, aucun coupon des dé-bentures payables à Londres ne sera payé en Canada.

JOHN LANGTON

Secrétaire B. de la T.

Ottawa, le 4 Octobre, 1871.

DEBENTURES PAYABLES EN CANADA.

Pour la commodité des porteurs de débentures payables en Canada, les coupons seront dorénavant payables par les divers assistants-receveur-généraux.

Les coupons de débentures de l'ancienne province du Canadaseront payés à Ottawa, Montréal ou Toronto. Les coupons de débentures de la Nouvelle-Ecosse et du Nouveau-Brunswick seront payés à Halifax et St.

Jean, respectivement

Les coupons de débentures de la Puissance seront payés à Ottawa ou par l'un des assistants-receveurs généraux dans les diverses provinces de la Puissance

Comme les coupons doivent être vérifiés, avant paiement, là où les registres de débentures sont tenus, les coupons de l'ancienne province du Canada ou de la Puissance, lorsqu'on en demandera le paiement ailleurs qu'à Ottawa, devront être présentés à l'assistant receveur-général qui les paiera et en donnera reçu suivant la forme prescrite, après les avoir transmis à Ottawa pour vérification et après avoir reçu d'Ottawa l'autorisation de les payer. Il s'écoulera ainsi quel-ques jours entre la présentation et le paiement d'un coupon, et, pour obvier à cet inconvénient, il a été décidé que le coupon pourrait être présenté quelque temps avant échéance, pour être ensuite payé, à échéance, par l'assistant-receveur-général.

Les registres des anciennes débentures de la Nouvelle-Ecosse et du Nouveau-Branswick étant tenus à Halifax et St. Jean, la vérification n'occasionnera point de délais pour les coupons de débentures.

Lorsque le porteur d'une débenture payable en Canada désire la convertir en bons ou effets de la Puissance, il peut toujours convertir au pair les débentures à 6 p. cent en bons à 6 p. cent, et les débentures à 5 p. cent en bons à 5 p. cent. Fn pareil cas, la débenture devra être envoyée à Ottawa ou elle sera vérifiée et ou l'on délivrera le certificat nécessaire, (certificate of stock.)

CHAMBER OF THE SENATE.

Ottenra, Thursda 11th April, 187.3.

This day, at THREE O'clock P. M., HIS EXCELLENCY THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took His Seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the Hou-e of Commons, and that House being present, His Ex-CELLENCY was pleased to open the FIFTH SESSION ofthe FIRST PARLIAMENT of the DOMINION OF CANADA, with the following Speech from the Throne:

Honorable Gentlemen of the Schote :

Gentlemen of the House of Commons:

The auspicious recovery which the mercy of Providence vouchsafed from the well nigh mortal illness of the Prince of Wales, called forth a universal expression of joy and thankfulness throughout the Empire. All classes of the people testified their deep sense of relief from the anxieties of a long and painful suspense, by joining their beloved Queen in a public Thanksgiving, which proved in vastness of attendance and unanimity of feeling the grandest and most impressive ceremony ever witnessed in the British Capital. I invite you to follow the good example on the fifteenth day of this month. It was thought advisable to defer the solemnity until after the meeting of Parliament, and I feel assured that the Members of the two Houses, as well as all Her Majesty's faithful subjects throughout the Dominion will be anxious to unite in celebrating the occasion with all becoming observance and loyal alacrity.

Your Meeting has itself been postponed to a later season than usual, upon considerations of Imperial as well as Colonial interest, and at the instance of Her Majesty's Government.

The young Province of Manitoba was, last September, threatened with an invasion of lawless persons from the United States. Prompt measures for resistance were adopted by the local authorities and attended with the best results. In order to re-assure the people of the Province, and to prevent a recurrence of the outrage, I ordered a force of two hundred Militiamen to be sent to Fort Garry. Notwithstanding the inclement serson of the year the troops surmounted the difficulties of the march with energy and success, thus proving not only their own discipline and endurance, but also the value of the route through our own Territory. The accounts of the expenditure occasioned by this expedition will be laid before you, and you will be requested to pass & Bill to indemnify the Government. A copy of the Treaty made at Washington last year to vote for the service of Her Majesty, can be granted between Her Majesty the Queen and the United States of America, in which the Dominion has so great an interest, will be laid before you. So much of the papers and of the completed correspondence as can be made public without injury to the interests of the Empire or of Canada, will also be at once submitted for your information, and your attention will be invited to this important subject.

A conference was held at Ottawa in September last, on the subject of Immigration, at which the Government of the Dominion, as well as those of every Province, were represented. A scheme for joint and several action was provisionally arranged, to which I invite your attention. I do not doubt that you will be inclined to make ample provisions for the encouragement of Immigration with the maintenance and extension of which the dovelopment of the vast natural resources of Canada is so vitally interwoven.

Since last Session the union of British Columbia with Canada has been happily consummated, and her representatives now take part in your delberations.

In order to open up and settle the fertile Territories of the North West, and to link British Columbia therewith, it will be necessary for you to make provision for the construction of a Railway to the Pacific Ocean, in conformity with the terms of Her Majortyle Order in Council uniting British Columbia Majesty's Order in Council, uniting British Columbia with the Dominion. An appropriation was made in the last Session for the preliminary Survey of the route for this Railway. The work has been diligently prosecuted, and a report of the progress achieved will be laid before you.

You will, I trust, concur with me in thinking that the long contemplated improvement and extension of our system of Canals ought to be vigorously prosecuted. The rapid increase in the trade of Canada, and the importance of competing for, and accommodating the commerce of the Great West, render it necessary that the means of transport by water should be cheapened and facilitated. I have to request your serious consideration of this subject, and in connection with it, the expediency of providing a direct water communication between the Gulf of St. Lawrence and the Bay of Fundy.

The decennial Census having been taken last year, the duty of re-adjusting the representation in Parliament, cf the four Provinces originally constitut ing the Dominion, devolves upon you now, according to the terms of The Union Act. A measure for the purpose will accordingly be submitted for your consideration.

Among other measures, Bills will be presented to you relating to the Judges of Superior Courts-to the regulation and management of the Public Lands and Mines of the Dominion in Manitoba and the North West Territories, and for the amendment of the laws rel ting to the Public Health.

Gentlemen of the House of Commons :

The accounts of the past year will at once be laid before ycu, and likewise a statement of the Receipts and Expenditure of the current year, up to the close of the last month.

It is gratifying to me to be able to announce to you that the revenue for the past, as well as that for the current year, will be considerably in excess of what was estimated, and that consequently there is no reason to apprchend embarrassment from the immediate commence nent of the contemplated public improvements.

The Estimates for the ensuing year will be submitted to you, and I trust that you will be of opinion hat the supplies which my Government will ask you

Hon. Gentlemen of the Senate :

Gentlemen of the House of Commons:

I have all the more satisfaction in recurring to your counsel and assistance at this period, inasmuch as I may congratulate you on the general prosperity of the country, and the fortunate issue of the steps taken to unite and consolidate the vast territories which now form the Dominion.

I feel assured that you will continue to devote the same assiduity as in the past to the augmented labours, which the exigencies of more numerous constituencies and a wider sphere of operations demand at your hands, and I earnestly pray that your efforts in the path of duty may be so happily guided as to maintain peace and justice in all the borders of the land, and ensure the happiness and lasting welfare of all classes of its inhabitants.

CHAMBRE DU SÉNAT.

Ottawa. Jeudi le 11 Avril 18: ..

Aujourd'hui, à TROIS heures P. M., SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL s'est rendue, avec le cérémonial ordinaire, à la Chambre du Sénat, dans l'édifice du prlement, et a pris son siége sur le Trônc. Les Membres du Sénat étant assemblés, il a plu à Son Excellence d'y faire requésir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, Son Excellence a ouvert la Civquième Session du PREMIER PARLEMENT de la PUISSANCE DU CANADA, par le Discours suivant du Trône :

Honorables Messieurs du Sénat,

Messieurs de la Chambre des Communes,

L'heureuse guérison qu'une Providence miséricor-dieuse a accordée de la maladie de bien près mortelle du Prince de Galles a provoqué une expression universelle de joie et de reconnaissance dans toutes les parties de l'Empire. Toutes les classes du peuple ont manifesté leur sentiment profond de soulagement de leur anxiété pendant une longue et pénible incer

titude, en se réunissant à leur Reine bien-aimée dans des actions de grâce publique, qui ont produit par le nombreux concours des populations et l'unanimité de sentiment la cérémonie la plus grandiose et la plus impressive dont on ait jamais été témoin dans la capitale de l'Empire. Je vous invite à suivre ce bon exemple la quinzième jour du présent mois.

Il a été jugé à propos de remettre la cérémonie jusqu'après la réunion du Parlement, et j'ai l'assurance que les membres des deux Chambres, aussi bien que tous les fidèles sujets de Sa Majesté dans toute l étendue de la Puissance, s'empresseiont de s'unir pour célébrer l'occasion d'une manière convenable et avec une loyale ardeur.

Notre réunion a elle-même été retardée plus que d'ordinaire par des considérations d'intérêt impérial, aussi bien que d'intérêt colonial, et à l'instance du Gouvernement de Sa Majesté.

La jeune Province de Manitoba fut, en Septembre dernier, menacée d'invasion par des gens sans foi ni loi des Etais-Unis. Les autorités locales adopterent de promptes mesures de résistance qui furent suivies des meilleurs résultats.

Pour rassurer le peuple de la Province, et prévenir le retour d'un semblable outrage, j'ordonnai l'envoi au Fort Garry de deux cents miliciens.

Malgré l'inclémence de la saison, les troupes sur-montèrent les difficultés de la marche avec énergie et succès, donnant par là la preuve non-seulement de leur propre discipline et constance, mais de plus l'excellence de la route à travers notre propre territoire.

Les comptes de la dépense qu'a entrainée cette ex-pédition seront mis devant vous, et vous serez priés de passer un Bill pour indemniser le Gouvernement.

Une copie du traité fait à Washington l'année der-nière entre Sa Majesté la Reine et les Etats-Unis d'Amérique, dans lequel la Puissance a un si grand intérêt, sera mise devant vous.

Tous les papiers et correspondance close, qui peuvent être rendus publics, sans préjudice aux inté-rêts de l'Empire ou du Canada, vous seront aussi soumis de suite pour votre information, et vous serez appelés à prendre en considération cet important sujet.

Il fut tenu à Ottawa en Septembre dernier une Conférence sur le sujet de l'Immigration, à laquelle le Gouvernement de la Puissance, ainsi que ceux de chaque Province étaient représentés. On en vint provisoirement à un projet pour une action conjointe et séparée, auquel j'appelle votre attention. Je ne doute pas de votre disposition à pourvoir amplement à l'encouragement de l'Immigration, au maintien et à l'extension de laquelle le développement des vastes ressources naturelles du Canada, est si vita-lement li³.

Depuis la dernière Session s'est heureusement consommée l'Union de la Colombie Britannique avec le Canada, et ses représentants prennent maintenant part à vos délibérations

Pour ouvrir et établir les fertiles Territoires du Nord-Ouest, et y relier la Colombie Britannique, il Nord-Ouest, et y relier la Colombie Britannique, il sera nécessaire que vous pourvoyiez à la construction d'un chemin de fer jusqu'à l'Océan Pacifique, confor-mément aux termes de l'ordre de Sa Majesté en Con-seil unisant la Colombie Britannique à la Puissance. Il fut fait à la dernière Session une appropriation pour l'exploration et arpentage préliminaire de la route pour le chemin de fer. L'ouvrage a été pour-suivi avec diligence, et il sera mis devant vous un rapport des progrès faits jusqu'à ce jour. Je me flatte que vous partagerai avec moi la pen-sée que l'amélioration et l'extension, depuis si long-temps projetées, de notre systême de canaux devraient être poursuivie avec vigueur.

L'accroissement rapide du commerce du Canada, et l'importance de concourir pour le commerce du Grand-Öuest et de le faciliter, exigent que les moyens de transport par eau soient rendus moins couteux et plus faciles.

J'ai à vous prier de donner votre sérieuse attention à ce sujet, ainsi qu'à la convenance de pourvoir à l'établissement d'une communication directe par eau entre le Golfe St. Laurent et la Baie de Fundy.

Le recensement décennal ayant été pris l'année dernière, il devient de votre devoir maintenant de ré-ajuster la représentation en Parlement des quatre Provinces composant en premier lieu la Puissance, conformément aux termes de l'Acte d'Union. Il sera en conséquence soumis à votre considération une mesure à cet effet.

Entre autres mesures il vous sera présenté des Bills relatifs aux Juges des Cours Supérieures, — à la régle. mentation et à la régie des terres publiques et des mines de la Puissance dans Manitoba et les Territoires du Nord-Ouest-et pour l'amendement des lois relatives à la santé publique.

Messieurs de la Chambre des Communes

Les comptes de l'année dernière seront de suite penses de l'année courante, jusqu'à la fin du mois dernier.

Il m'est agréable de pouvoir vous annoncer que le revenu de l'année dernière, de même que celui de l'année courante, excèderont de beaucoup l'estima-tion qui en a été faite, et que conséquemment il n'y a aucun lieu de craindre des embarras du commencement immédiat des améliorations publiques projetées.

Le Budjet pour l'année qui suit vous sera soumis, et je me flatte que vous serez d'avis que les Subsides, que mon Gouvernement vous demandera de voter pour le service de Sa Majesté, pourront être accorder sans inconvénient pour Ses Sujets Canadiens.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

J'ai d'autant plus de satisfaction en recourant à vos avis et votre assistance en ce moment, que je puis vous féléciter de la prospérité générale du pays, et de l'heureuse issue des démarches faites pour unir et consolider les vastes territoires qui composent main tenant la Puissance.

J'ai l'assurance que vous continuerez à dévouer la même as-iduité que par le passé aux travaux addi-tionnels que requièrent de votre part les exigences de populations plus nombreuses et une sphère d'opérations plus étendue, et je prie Dieu instamment que vos effors dans le sentier du devoir soient assez heureusement guidés pour maintenir la paix et la justice dans toutes les parties du pays, et assurer le bonheur et le bien être durable de toutes les classes de ses habitants.

CHAMBRE DU SÉNAT.

Ottawa. Jeudi le 11 Avril 1872.

Aujourd'hui, à TROIS heures P. M., SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL s'est rendue, avec le cérémonial ordinaire, à la Chambre du Sénat, dans l'édifice du parlement, et a pris son siége sur le Trône. Les Membres du Sénat étant assemblés, il a plu à Son Excellence d'y faire requérir à la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, Son Excellence a ouvert la Cinquième Session du PREMIER PARLEMENT de la PUISSANCE DU CANADA, par le Discours suivant du Trône :

Honorables Messieurs du Sénat,

Messieurs de la Chambre des Communes,

L'heureuse guérison qu'une Providence miséricordieuse a accordée de la maladie de bien près mortelle du Prince de Galles a provoqué une expression universelle de joie et de reconnaissance dans toutes les parties de l'Empire. Toutes les classes du peuple ont manifesté leur sentiment profond de soulagement de leur anxiété pendant une longue et pénible incer-

titude, en se reunissant à leur Reine bien-aimée dant des actions de grâce publique, qui ont produit par le nombreux concours des populations et l'unanimité de sentiment la cérémonie la plus grandiose et la plus impressive dont on ait jamais été témoin dans la capitale de l'Empire. Je vous invite à suivre ce bon exemple la quinzième jour du présent mois.

Il a été jugé à propos de remettre la cérémonie jusqu'après la réunion du Parlement, et j'ai l'assurance que les membres des deux Chambres, aussi bien que tous les fidèles sujets de Sa Majesté dans toute l étendue de la Puissance, s'empresseront de s'unir pour célébrer l'occasion d'une manière convenable et avec une loyale ardeur.

Notre réunion a elle-même été retardée plus que d'ordinaire par des considérations d'intérêt impérial, aussi bien que d'intérêt colonial, et à l'instance du Gouvernement de Sa Majesté.

La jeune Province de Manitoba fut, en Septembre dernier, menacée d'invasion par des gens sans foi ni loi des Etats-Unis. Les autorités locales adoptèrent de promptes mesures de résistance qui furent suivies des meilleurs résultats.

Pour rassurer le peuple de la Province, et prévenir le retour d'un semblable outrage, j'ordonnai l'envoi au Fort Garry de deux cents miliciens.

Malgré l'inclémence de la saison, les troupes surmontèrent les difficultés de la marche avec énergie et succès, donnant par là la preuve non-seulement de leur propre discipline et constance, mais de plus l'excellence de la route à travers notre propre territoire.

Les comptes de la dépense qu'a entrainée cette expédition seront mis devant vous, et vous serez priés de passer un Bill pour indemniser le Gouvernement.

Une copie du traité fait à Washington l'année dernière entre Sa Majesté la Reine et les Etats-Unis d'Amérique, dans lequel la Puissance a un si grand intérêt, sera mise devant vous.

Tous les papiers et correspondance close, qui peuvent être rendus publics, sans préjudice aux intérêts de l'Empire ou du Canada, vous seront aussi soumis de suite pour votre information, et vous serez appelés à prendre en considération cet important sujet.

Il fut tenu à Ottawa en Septembre dernier une Conférence sur le sujet de l'Immigration, à laquelle le Gouvernement de la Puissance, ainsi que ceux de chaque Province étaient représentés. On en vint provisoirement à un projet pour une action conjointe et séparée, auquel j'appelle votre attention. Je ne doute pas de votre dispo-ition à pourvoir amplement à l'encouragement de l'Immigration, au maintien et à l'extension de laquelle le développement des vastes ressources naturelles du Canada, est si vitalement lié.

Depuis la dernière Session b'est heureusement consommée l'Union de la Colombie Britannique avec le Canada, et ses représentants prennent maintenant part à vos délibérations.

Pour ouvrir et ètablir les fertiles Territoires du Nord-Ouest, et y relier la Colombie Britannique, il sera nécessaire que vous pourvoyiez à la construction d'un chemin de fer jusqu'à l'Océan Pacifique, conformément aux termes de l'ordre de Sa Majesté en Conseil unisant la Colombie Britannique à la Puissance. Il fut fait à la dernière Session une appropriation pour l'exploration et arpentage préliminaire de la route pour le chemin de fer. L'ouvrage a été poursuivi avec diligence, et il sera mis devant vous un rapport des progrès faits jusqu'à ce jour.

Je me flatte que vous partagerai avec moi la pen-sée que l'amélioration et l'extension, depuis si long-temps projetées, de notre systême de canaux de-uniont être vraient être poursuivie avec vigueur.

L'accroissement rapide du commerce du Canada, et l'importance de concourir pour le commerce du Grand-Ouest et de le faciliter, exigent que les moy-ens de transport par eau soient rendus moins couteux et plus faciles.

J'ai à vous prier de donner votre sérieuse attention à ce sujet, ainsi qu'à la convenance de pourvoir à l'établissement d'une communication directe par eau entre le Golfe St. Laurent et la Baie de Fundy.

Le recensement décennal ayant été pris l'année dernière, il devient de votre devoir maintenant de ré-ajuster la représentation en Parlement des quatre Provinces composant en premier lieu la Puissance, conformément aux termes de l'Acte d'Union. Il sera en conséquence soumis à votre considération une mesure à cet effet.

Entre autres mesures il vous sera présenté des Bills relatifs aux Juges des Cours Supérieures, —à la régle-mentation et à la régie des terres publiques et des mines de la Puissance dans Manitoba et les Territoires du Nord-Ouest-et pour l'amendement des lois relatives à la santé publique.

Messieurs de la Chambre des Communes

Les comptes de l'année dernière seront de suite mis devant vous, ainsi qu'un état des recettes et dé-penses de l'année courante, jusqu'à la fin du mois dernier.

Il m'est agréable de pouvoir vous annoncer que le revenu de l'année dernière, de même que celui de l'année courante, excèderont de beaucoup l'estimation qui en a été faite, et que conséquemment il n'y a aucun lieu de craindre des embarras du commencement immédiat des améliorations publiques projetées.

Le Budjet pour l'année qui suit vous sera soumis, et je me flatte que vous serez d'avis que les Subsides, que mon Gouvernement vous demandera de voter pour le service de Sa Majesté, pourront être accorder sans inconvénient pour Ses Sujets Canadiens.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

J'ai d'autant plus de satisfaction en recourant à vos avis et votre assistance en ce moment, que je puis vous féléciter de la prospérité générale du pays, et de l'heureuse issue des démarches faites pour unir et consolider les vastes territoires qui composent main tenant la Puissance.

J'ai l'assurance que vous continuerez à dévouer la même as iduité que par le passé aux travaux addi-tionnels que requièrent de votre part les exigences de populations plus nombreuses et une sphère d'opé. rations plus étendue, et je prie Dieu instamment que vos effors dans le sentier du devoir soient assez heureusement guidés pour maintenir la paix et la justice dans toutes les parties du pays, et assurer le bonheur et le bien-ètre durable de toutes les classes de ses habitants.
